2025 SYDNEY ROYAL EASTER SHOW

The Sydney Royal Easter Show (Show) is one of the largest ticketed events in Australia and is the main fundraising event hosted by the **Royal Agricultural Society of NSW (RAS)**. The RAS is purposed to forge the future of Australian agriculture by engaging, educating and entertaining our community on the value of sustainable agriculture and quality produce, accomplished through events that support agricultural excellence and innovation.

Revenue generated by the Show allows the RAS to invest in agriculture, education scholarships, youth programs, competitions, and in rural development in NSW. In total, the RAS invests \$11 million annually in these initiatives, which are designed to promote agricultural excellence and to keep our rural communities strong. We understand that when rural Australia benefits, all Australians benefit!

The origins of the Show date back to 1822, when the emphasis was on agriculture and food provision for the new colony. In the words of the early RAS Founders, they needed to band together, to help each other.

As the crowds converge at the Show each year, this is the real backdrop to what is happening. While they giggle at the farmyard nursery, cheer fanatically at woodchop, and ooh-and-aah during the evening entertainment, they are also banding together, city and country cousins, to support, encourage and help each other.
